

Celebrate Your Birthday

AT THE FIGGE ART MUSEUM

Birthday Fun!

\$160 non-member

(includes 6-month Family Membership)

\$144 member

(membership will be extended for 6 months beyond current expiration)

The Figge offers a full museum experience for your special event. The party starts with an engaging, interactive docent-guided tour of current exhibitions followed by a studio art experience in the medium of your choice. Art projects for suggested ages are listed on the next page but all of them can be tailored to suit any age group.

Families supply the birthday treats, beverages, tableware and decorations to round out the event. You should plan to arrive at least 45 minutes before your party is scheduled to begin. Following your party, you and your guests are welcome to stay and enjoy all the Figge has to offer in its galleries and family spaces!

Studio art experiences have been developed that are engaging and age-appropriate. Please select one from the choices listed on the following page.

Studio Art Experiences

5-6 year olds (K-1st grade)

- **Shape it up! Clay Critters**

Shape, form, texture and imagination are the keys kids will use to unlock the magic in a simple lump of air dry clay, transforming it into a most amazing, whimsical critter.

- **“P” is for Paint! Painting**

Enhanced by images found in their gallery tour experience, kids will have fun painting animals and imaginative habitats using line, color and texture.

7-8 year olds (2nd-3rd grades)

- **Who are you? Maskmaking**

Kids will create fun wearable masks from a wide array of media and materials highlighting form, texture, shape and color.

- **Shape it up! Clay Creations**

Kids will roll, pull, mold, shape and texturize air dry clay to create fun sculptural self-portraits.

9-12 year olds (4th-6th grades)

- **Multiples Magic! Printmaking**

Using line, color, texture and more kids will experience the excitement of printmaking in this great multiples medium.

- **“P” is for Paint! Painting**

Enhanced by images discovered in their gallery tour experience, kids will experiment with art elements such as color, line, shape and texture and paint a scene of their favorite sport, hobby, pastime activity, etc.
